Hoonah Stewards Design

The screenshot shows the homepage of the Hoonah Stewards website. At the top, there is a navigation bar with the Hoonah Stewards logo, a search bar, and a "Log in" button. Below the header is a large, scenic background image of snow-capped mountains, a forest, and a body of water. Overlaid on this image is the text "community + environment + economy" and a silhouette of a person walking. In the center, there is a blue button with the text "Become a Steward" and a right-pointing arrow. Below the button, the text "Coming together to create a shared vision for our lands." is displayed in a teal color. To the right of this text is a vertical sidebar containing placeholder text: "Lorem ipsum dolor sit amet, consectetuer adipiscing elit, sed diam nonummy nibh euismod tincidunt ut laoreet dolore magna aliquam erat volutpat. Ut wisi enim ad Lorem ipsum dolor sit amet, consectetuer adipiscing elit, sed diam nonummy nibh euismod tincidunt ut laoreet dolore magna aliquam erat volutpat. Ut wisi enim ad minim veniam, quis nostrud exerci tation ullamcorper suscipit lobortis nisl ut aliquip." Below this, a section titled "What can you do as a steward?" lists four actions, each with an icon and a description:

- A statement about privacy: "A statement about privacy. Lorem ipsum dolor sit amet, consectetuer adipiscing elit, sed diam nonummy nibh euismod tincidunt ut laoreet dolore magna aliquam erat volutpat."
- Take the survey that will help inform future land use decisions.** (Icon: clipboard with checkmark)
- Get notified when job opportunities related to land management arise.** (Icon: people in a group)
- Keep track of your hunting/gathering locations, quantities and dates.** (Icon: binoculars)
- Notify/report alerts like road conditions so their repair can be prioritized.** (Icon: exclamation mark in a red triangle)

At the bottom of the page is a footer image showing a snowy landscape at sunset or sunrise with a large rock formation.
